

ExtensisHR HRO

**You know your business.
And ExtensisHR knows how to solve
your business' HR challenges.**

We're more than a payroll or ASO service. Our people-first, service-led approach provides access, expertise, and reliability - reducing the complexity of being a great employer. By weaving together customized, cost-effective, outsourced HR services with payroll, benefits administration, and a technical solution to streamline your platform challenges, we help business leaders become the best employers they can be.

ExtensisHR's HRO solution is designed for:

Grey & Blue-Collar companies
with 150 - 500 WSEs

Lean teams requiring comprehensive
solutions from a single vendor partner

White-Collar companies
with 150 - 500 WSEs

Companies craving more configurability in
a cost-effective, personalized HR solution

Small HR departments who still need
access to HR expertise and services

ExtensisHR's HRO solution offers:

- A world-class service model
- An assigned team of dedicated HR experts
- Personalized analysis of your current HR practices
- Regular HR regulatory reporting and guidance
- Risk management and safety services
- Benefit compliance and administration
- Tailored recruiting services and support
- And more...

Utilizing an HRO model doesn't mean sacrificing great service. It means gaining access to an industry-leading team with over two decades of HR experience. To learn more about HRO and how to get started, reach out to your Broker Sales Manager, call 888.473.6398 or email marketing@extensisgroup.com.
